General Manager's Report

The staff are looking forward to the weather warming up and increased activity at all our amenities. The Jaguars had a good run at the Super Bowl and everyone enjoyed the great turnout for the Viewing Parties. Nearly 100 members were at the Jags/Patriots game party!

The Equity Full Promotion has netted 16 new Associate Full members. Please call Tanya Fucci or myself on how you can reduce your monthly dues to $350 as a full member.

Our Accounting Team is in place and there will be marked improvement in this area. Joy Ennis, our new Controller, has extensive experience in high volume and complex organizations. This will be beneficial as we work to improve accounting for the Club and the Deerwood Improvement Association. Barbara Clifton is our new Staff Accountant. She was the Controller at Marsh Landing and brings a wealth of experience in club accounting and Jonas Software. A special recognition to Krystal Fucci, Accounts Payable/Administration, who worked tirelessly during the holidays on many projects and tasks. She will continue to be a key member of our administration team.

We are beginning to see the returns on our Fairway Improvement Plan. After playing recently, I was happy to see consistent turf through out the golf course which will set us up to have improved playing conditions in the spring. Paul Rio and his team have finished the Bunker Renovation Program, and this has made a positive impact on the golf course presentation for member prospects.

Jimmy Morgan and Melanie Skiba did an outstanding job during their interim positions in the Food and Beverage department. An exciting announcement will be coming soon that will include moving both into permanent positions in the Food and Beverage operations.

Upcoming events in February: February 6th – Member Appreciation Luncheon, February 9th – Father/Daughter Dance, February 14th – Valentine's Dinner, and February 18th – Mardi Gras Brunch. Wednesdays will continue with Italian Night and dining and entertainment in Sam's Place on Friday with the featured Butcher Block.

Don't forget to sign up for the ACH Program at the Club. By doing so, your bill will be automatically withdrawn from your bank and you will be entered into a contest to earn credits to your Club account. Please contact our accounting team for more information.

Please remember to keep us in mind for any banquets or catering needs. Please call Denise Brilli, our Catering Sales Director as she is committed to taking care of our members and will work with you on making your event the best it can be!

Employee Spotlight: Barbara Clifton

Our Employee Spotlight for Februray is Barbara Clifton who joined the team last month as our new Staff Accountant. Barbara has hit the ground running and is proving to be a valuable addition to our Accounting team. Her knowledge and understanding of general industry practices, and the experience she brings with these and our JONAS software, have already made her a go-to member of our management team. Golf Shop Assitant/Merchadiser
Lola Vavrica

On behalf of the Golf Operations team, Happy New Year to you and yours. I wanted to take this opportunity to look back on the success of 2017 and share the goals of Golf Operations in 2018.

Thanks to the foundation laid by Jim Lohbauer, I am proud of what we have accomplished as a team since I took over the Golf Operations on July 3, 2017. Below are a few 2017 highlights:

•**Recruited/Preserved a first-class Professional and Outside Operations Staff.** One of my proudest accomplishments as a Head Golf Professional was the building/preservation of a first-class team. I am quick to acknowledge that I am only as good as the team beside me, and I could not ask for a better team to work with. I am pleased with the growth of Will Rehberg as First Assistant Professional, the addition of Mitchell Haley as Second Assistant Professional, the continual progress of the merchandising under Lola Vavrica, the leadership of Jim Charrie and the unparalleled service of Gary, Pablo, Patrick Lamb, Patrick Ryan, Al, Bill, Jim, Brian, Kristi, Peter, Jerry, Ed and Tim Miller to our Deerwood Members and Guests.

•**Streamlined the merchandising operation and decreased the overall Golf Shop inventory by $25,000.** One of the most significant changes was assessing the merchandising operation and changing both the merchandising mix and overall inventory. With strong Member support of the Labor Day and Holiday Sales, solid outing sales and the creation of a clearance area within the Golf Shop, we were able to reduce our overall wholesale inventory by $25,000 in six months.

•**Enhanced the Deerwood Range by adding new fixtures and features.** Thanks to the leadership of Jeff Hager and Will Rehberg, and the financial support of our generous Members, we were able to purchase new range crates and ball pusher holders. We were able to work with golf course superintendents Paul Rio and Scott Williams to install two new flags by the forward bunker and reopen the much-improved chipping green. We were able to partner with our supply vendor to introduce new Deerwood-logoed 2.75" and 1.5" tees at no increased cost.

•**Created/Installed/Rated three new sets of tees.** This was a fruitful collaboration between Debbie Krieger, Luke McCann, Jim Lohbauer, Paul Rio, Scott Williams and the Golf Association of Florida. The end result was 3 new tees: Gold/Blue combo (7018 yards), Red/Black Combo (4694 yards) and Black tees (4352 yards).

•**Restored our Ladies 9-Hole Group.** Thanks to the leadership of Joy Chytraus, Elicia Duross, Russ Pittman, Penny Jamison and Punkie Bethea, the Deerwood Ladies 9-Holers are once again active within and outside Deerwood.

•**Reinstated the Thursday afternoon "Gold Tee Game".** Thanks to the leadership of Luke McCann and the support of the Golf Committee, we were able to reinstate the Thursday "Gold Tee Game" with the focus on generating supplementary revenue, increasing awareness/prestige of Deerwood in the local golf community and possible conversion to Membership.

Below are the goals for Deerwood Golf Operations in 2018:

1. Redesign Golf Shop to improve efficiency, appearance and increase profitability.
2. Reduce overall Golf Shop inventory by an additional $25,000 in total wholesale product.
3. Increase rounds/revenue/Member satisfaction through enhanced group instruction
4. Increase participation in all Club tournaments by >= 15%.

Thank you for your continued support of the Deerwood Golf Operations. Riding the positive momentum of 2017, we look forward to working with you to make 2018 our best year yet. Please let me know if I and/or my team can do anything to serve you.

Fitness News

Happy New Year!

It's 2018! New year, new motivation, new plans. At the Deerwood Fitness Center, it's no different. We've amped up the group fitness class schedule with new Zumba classes; both Zumba Gold (lower impact) AND classic Zumba. Our own Aggie Horvath leads Zumba Gold, and new Zumba "master" instructor Kelly Reid will lead our regular Zumba classes on Tuesdays and Thursdays at 6pm in the group fitness room.

Also new, we've blended Saturday morning Yoga into one 75-minute Vinsaya Yoga experience to start your weekend. New instructor Catherine Canady leads Yoga on Thursdays at 8:45am and also the Vinyasa Yoga on Saturdays 8:00am. Get with the flow!

Here's 10 ways to kickstart your fitness goals for 2018:

1. Commit to at least 2 group fitness classes per week and put them on your calendar or daytimer. Treat them as appointments that are part of your day.
2. Start a workout log. Track your progress or use a FitBit.
3. Get a personal trainer to keep you scheduled and challenged. All personal trainers at the Fitness Center are highly credentialed and experienced!
4. Plug in! Throw some music into your workouts with some earbuds and an IPod.
5. Get a workout buddy.
6. Read an inspiring biography, whether fitness related or not.
7. Eat cleaner. Getting the sludge out of your body will help you feel better and less lethargic.
8. Dress the part! Quality, comfortable clothing not only looks good, but you'll feel better working out.
9. Don't overdo it. No more than 45 minutes in the gym should do the trick. Any longer and things might get monotonous, and you'll lose interest. Leave the gym wanting more!
10. Foremost, set a goal. Pick an event, such as a charity run, in the future that you want to attend and make that your target.

TGIF:
Valentine's Party
