What a difference a year makes! Last winter I was in Indiana, planning nearly all of my free time around indoor activities- trips to the gym, Netflix binge watching, eating beef and waiting for the thaw. Often times we take things for granted, but living in Northeast Florida is awesome. In spite of some wetter than normal conditions, mild temperatures have resulted in an increase in activty around the Club. We all know winter weather can be unpredictable even here, so be sure to take advantage of these sunny days and spend some time on the golf course and tennis courts. You deserve it!

As we start the new year, we are fortunate to have such a dedicated and professional management team at the Club. Like any sports team or business venture, leadership becomes seasoned through experiences and shared growth. I have great expectations for this team and look forward to seeing this maturation reflected in the operations and planning process.

In January we welcome Susan Surber as Club Controller. Susan is a CPA and most recently served in a similar capacity at the Cummer Museum of Arts and Gardens. We will also be saying goodbye to Sous Chef Katie Lopez, who will be leaving for a new position in Atlanta. Katie's talents will be missed and we thank her for her role in creating Tapas and Tunes and more progressive weekly specials. Please join me in welcoming Susan and thanking Katie.

In an effort to enhance member communications, the approved Board minutes will be posted routinely to the Club website. Please go to Member Documents under the My Club tab to find the Board mintues and other important Club documents. If you need assistance with access to the website, please contact Kate Haigh at 904-641-6100.

Membership growth will continue to be a focus for the foreseeable future and we will soon be offering an Associate Member Referral Program. This offer, which is similar to the ongoing Equity Referral Program, provides an opportunity for Associate members to sponsor new Associate Full members and receive an adjusted dues rate. Further information about this program will be mailed to Associate members later this month.

Thank you again to all members for your ongoing support of the Club.

General Manager
