May has flown by and we just kicked off summer with another packed Memorial Day party! If you haven't had dinner at the Club recently, I encourage you to join us in June and try our revised line up, featured specials and a new theme on Fridays.

Wednesday evening is a great way to break up the week and be the first to enjoy the weekly feature. Thursday evening continues with 2 for $28 and Kids Eat Free, but in addition through the summer, our back lawn will be set up weekly for a family friendly game at 7pm. Relax and let the kids enjoy a different activity each week led by our Kids Club staff. Then starting June 14 the Club will feature a new TGIF themed Backyard Bistro with shareable items and Chef McKinsey-inspired bistro dining. We are also planning some special entertainment for a few of those Fridays.

The Membership Committee is spearheading an Ambassador Program that I truly hope becomes a sustainable element of the Deerwood culture. As our membership continues to grow, the committee recognized that we need to do a better job as a Club helping new members assimilate, build new relationships, and get the most out of their membership. Our first volunteer to serve as an ambassador is Chris Lewis who joined the Club in February. We look forward to getting this program launched in June and know there will be many more member volunteers during the call out.

In September 1999 the members came together to purchase the Club. This significant milestone in the history of Deerwood deserves a good party and the House/Entertainment Committee will soon share plans for a Fall celebration. Stay tuned for details, since this should be an event you'll want to attend.

July 4th festivities at Deerwood have been a tradition for, well, a long time. This year our fireworks show will once again be outstanding and complimented by a number of fun activities, good music, great food, and summertime beverages throughout the day. So, make your plans to Come To The Lake and bring your friends and entire family!

Slow down to take some extra time with those you care about this summer.

See you at the Club,
Nick Cassala

PRO TIP: Uphill and Downhill Lies

We don't have too many severe uphill/downhill lies at Deerwood, but even a small incline can result in a big difference in the shot outcome. As a rule of thumb, please observe the following for uphill and downhill lies (for a right-handed golfer):
UPHILL LIES: Take more club than normal, aim slightly right of target, match your shoulders to the slope and be sure to get to your left side before impact.
DOWNHILL LIES: Take same/less club than normal, ball position slightly back in stance, aim slightly left of target, match your shoulders to the slope and be sure to swing "down the hill" to avoid hitting it thin.

The 2019 Father/Grandfather-Junior Tournament is scheduled for Father's Day, June 16, 2019. This 2-Player Scramble event is open to all Deerwood Father/Grandfather-Junior combinations. This year we are offering an 18-Hole Flight and a 9-Hole Flight:

18 Hole Flight: 1:00pm Shotgun — 18-Holers: $50 per team (plus cart fees)
9 Hole Flight: 3:00pm Shotgun — 9-Holers: $25 per team (plus cart fees)

Deerwood Ambassador Program

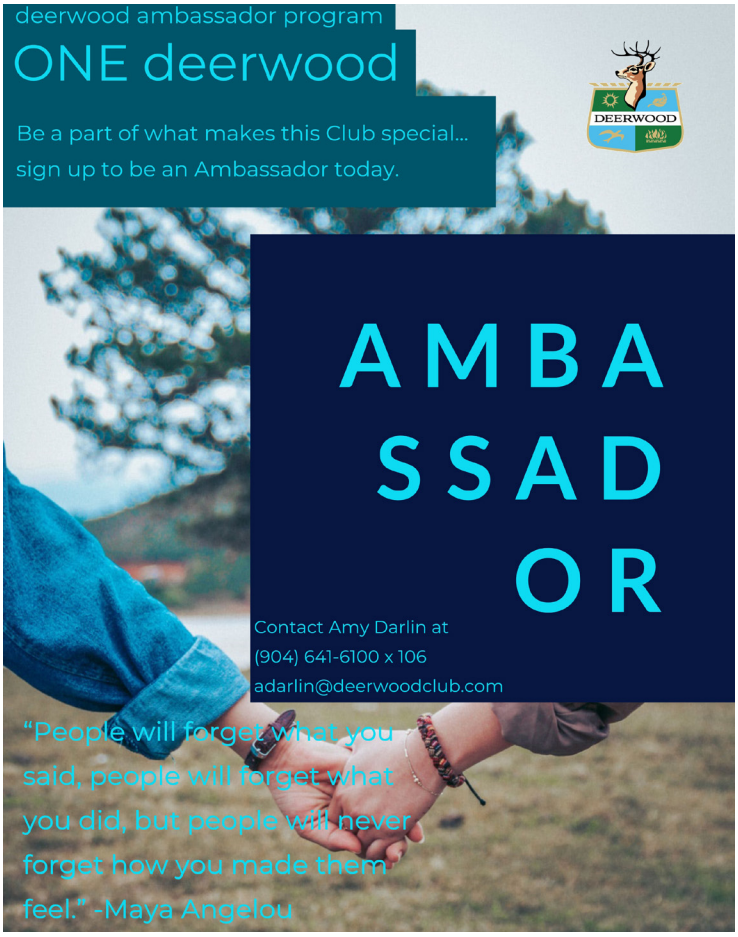
Here 'ye Here 'ye!
Calling all AMBASSADORS!

Do you remember what it felt like to be welcomed to the Club when you joined? That first member who reached out and invited you to dinner or a round of golf?

We now need you to be a Club Ambassador, and be a part of what makes the Deerwood experience special for each new family who joins the Club.

Please let us know if you would like to be involved in welcoming new families by calling 904-641-6100 or emailing adarlin@deerwoodclub.com.

We are hoping to foster many new friendships and look forward to hearing from you!



The ONE Deerwood Pass allows Deerwood residents to have full access to the Club for one week. They will be able to enjoy golf, tennis, fitness, swimming, Kids Club, dining and social events from June 18-23, 2019.

There will be another chance for members to give the gift of membership to a friend or family member during the week of July 16-21.

This summer is all about inviting others to see what makes Deerwood special.
Let's come together and create ONE Deerwood.
For questions, please call Amy Darlin at 904-641-6100 or email adarlin@deerwoodclub.com

Fitness News

A Message from the Head Trainer: Zarah Yisrael

Now that summer is here, some of us have realized our goal to have a six pack for the beach, or to reach that fitness milestone may have fallen short. Yet, by framing our shortcomings as the beginning of discovery, this allows us to find the opportunity to find the way to manage them, without the inaccurate pressure of trying to solve them. Fitness is our journey, not a destination. We are all constantly learning and getting better, with our ups and downs. If you feel like you are stuck on your fitness journey, we have trained fitness professionals ready to help you, day and night. Come by to schedule a consultation and let us help you get back on track, today!

Contact me at zyisrael@deerwoodclub.com or 904-641-5364 for your complimentary assessment. I look forward to seeing you all in the Fitness Center soon!
