A Message to Our Members

2018 has been and continues to be a year of change here at Deerwood. We have said good bye to some team members and welcomed new ones to the Deerwood family.

The Board of Directors, management team and staff of Deerwood Country Club are happy to welcome Nick Cassala back to the Club to serve as our Interim General Manager. Nick previously served as the VP/General Manager of Deerwood from 1986-1991, and has extensive knowledge of Deerwood's culture, history, and infrastructure.

Nick has served in real estate development and senior club operations roles for the last 30 years, which included lengthy tenures at Gate Petroleum and The St. Joe Company. A graduate of the University of Florida, Nick has been a General Manager/COO at private clubs in Georgia, Pennsylvania, and Florida. His considerable experience and personal connection to Deerwood will help to ensure a smooth transition into the Club's next chapter.

The Board would like to thank our Deerwood team for their extra effort through this period of transition. The Board is also at work formulating plans that will help us overcome the current challenges and take full advantage of the opportunities before us.

As we look forward to Deerwood's next chapter, we are excited by the possibilities and hope that members are too. Along the way we are committed to delivering excellent service and an outstanding member experience.

The Board of Directors appreciates your continued support of the Club.

Sincerely,
Tom Brandvold
President, Board of Directors

Update from the Director of Tennis

It is my pleasure to introduce everyone to our new Tennis Pro Shop Manager, Margaret Kuehn. Margaret has an impressive background in fashion and retail merchandising, as well as being an avid tennis player. She will be a huge asset to our new tennis staff by continuing to improve operations and communication for all tennis related needs. Please come by during our Tennis Shop hours and give her a warm Deerwood welcome.

With the summer schedule coming to an end, and the fall schedule beginning, we have some fun and exciting events coming up. Our ladies' team seasons have begun and we will be competing against other clubs in the local area. If anyone is around during these matches feel free to pop on by and cheer on our members and meet the new tennis staff. As for our juniors, our fall after school tennis program has begun. We have new hours for junior clinics, so be sure to grab a copy of the schedule. There will be something for every age and level tennis player out on our courts this fall, so do not hesitate to come join the fun.

September 3rd will be our Labor Day social from 9:30am-12:00pm. This event will be an all levels, men's and women's, round robin with drinks, small bites, exercise and of course tons of fun to kick off your holiday. We are currently in week three of our Tennis 101 series. If your interested in beginning your tennis career, feel free to contact us and we can get you set up to start in our next Tennis 101 beginning tentatively on September 18th. Our men's fall leagues are also gearing up to begin. We will be fielding a couple of teams out of Deerwood, so if you have been contemplating getting back out on the courts, now is a great time to do it!

Thursday nights are Men's night, which is all levels, matched up doubles, followed by good company, food, drinks, and football. Saturday mornings we will be running a series of clinics until the men's matches begin.

Call our Shop, or send us an email, if you have any interest or questions about any of these upcoming programs. I also want to give huge congratulations to our Deerwood ladies 2.5 USTA team captained by Suzy Birdsong, as they not only won the local league, they went down to Orlando for the State Championships and came home with 1st place. This is a big accomplishment as our ladies will now be heading to Nationals to compete against the champion team for each section of the country. Let's give these ladies a proper congratulations when you see them, and wish them luck at Nationals! Great job ladies!
